

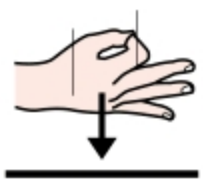
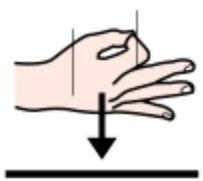
Antes de nacer Monstruo Rosa era diferente

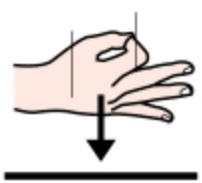
a

a los demás

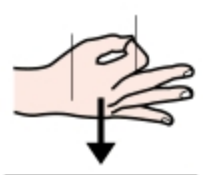




Él era rosa los demás eran blancos

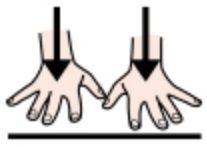


Monstruo Rosa era grande



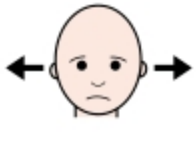
los demás eran pequeños

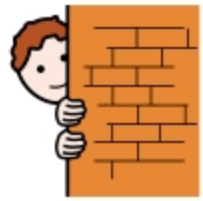
Él siempre sonrie



Los otros están siempre serios

Vivían en un pueblo blanco





Monstruo rosa no podía esconderse perdía siempre

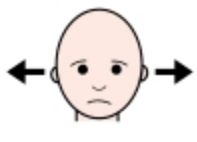
Monstruo rosa se caía de los árboles

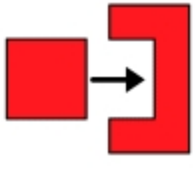
Monstruo rosa se caía de los árboles

Por la noche todos dormían en sus casas

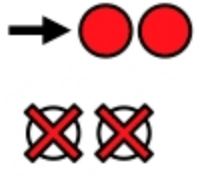
a

Monstruo rosa dormía abrazado a su casa





no cabía



Monstruo rosa soñaba con descubrir otros lugares

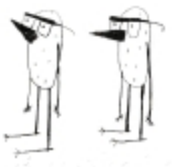
Un día Monstruo Rosa se fue viaje

Adiós nube blanca

Adiós árboles blancos

Adiós casas blancas

a



Adiós a los demás

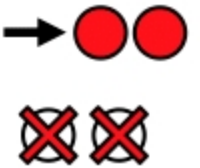
Monstruo rosa cruzó montañas

Monstruo rosa cruzó el mar

Cruzó un desierto Dormía de día y

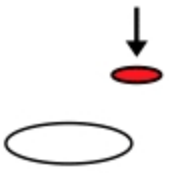
cantaba por la noche

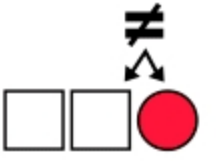
pasaron muchos días



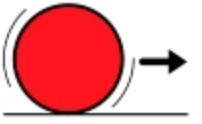
A veces llovía y otras veces

¡ Se veía el arcoiris !





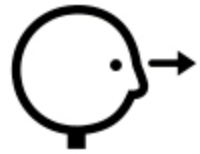
Allí conoció a gente diferente

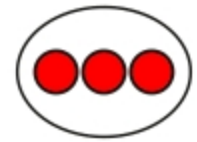


Bicho pelota que rueda

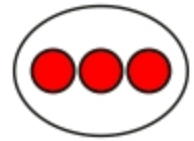
Pájaro amarillo que vuela y canta

Monstruo azul que abraza

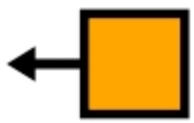


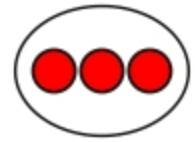


Rana de 3 ojos que mira todo

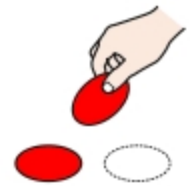


Reían y jugaban todo el día

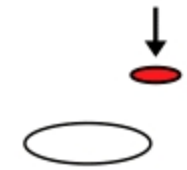




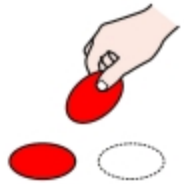
Y de noche todos dormían en sus casas



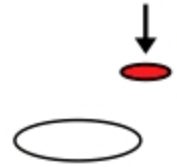
a



Monstruo rosa se quedó a vivir allí y



a



Monstruo rosa se quedó a vivir allí y

siempre sonreía

Bienvenidos
